

TRENTON MUNICIPAL UTILITIES
Service Contract

Account Number _____

This agreement between _____, hereinafter referred to as the "Customer", and Trenton Municipal Utilities, hereinafter referred to as "TMU", is for the supply of utility services to be delivered by TMU to the customer's premises located at _____. The supply shall be delivered by TMU and received and paid for by the customer under the terms of TMU's applicable rate schedule and Service Policies and Requirements on file and available upon request at the office of TMU. **The customer is responsible for notifying TMU of any change in type of heat or hot water heater.**

The customer hereby agrees and has full understanding that TMU shall have the power to cut off the supply of water and electricity whenever any bill for service is in arrears or upon violation by the customer of any terms or conditions of this contract or of the Service Policies and Requirements referred to herein and made a part hereof as though fully set herein. It is further agreed that whenever service has been discontinued for fraudulent use, or non-compliance with service policies, or whenever a service call is necessary to collect an account, or to disconnect for non-payment, or if service is disconnected, or assigned to another, at the request of the subscriber within 6 months after service is connected, there may be a service charge, which sum the customer agrees to pay.

It is understood that this contract shall be deemed to be renewed automatically from year-to-year until cancelled and that the schedules and Service Policies and Requirements referred to herein are subject to change from time to time by appropriate action of a legally-constituted regulatory body, to which changes, if any, the customer agrees to be bound.
